

“The seven months I spent in the Management Training Program served as the foundation for my career at Broadridge. I was exposed to the senior leadership of the company, collaborated with fellow trainees on meaningful projects and developed genuine appreciation for Broadridge’s core values. The Management Training Program is the ideal transition from the university setting to the workplace.”

- Andrey Gordiyenko, 2007, Market Specialist

Management Training Program

Program Highlights

- ▶ A unique opportunity to learn the business through a series of job rotations within Investor Communication Solutions (ICS)
- ▶ Exposure to our leaders to gain insight on management and leadership principles
- ▶ Professional development experiences, including invaluable mentorship and networking opportunities

Program Objectives

Our goal is to provide you with a comprehensive understanding of the business and a keen leadership foundation that will enable you to add to our success in providing World Class Service to our clients. At the completion of the Management Training Program, you will be placed into a leadership role where you will further develop and apply your leadership and management skills to best serve the organization.

Placement

- ▶ Opportunities are available in the areas of Production Operations, Finance, IT and Client Service

Minimum Qualifications

- ▶ Recent college graduates with a BA/BS in Business Management, Accounting, Marketing, Finance, or similar fields
- ▶ Demonstrated prior work and/or leadership experiences
- ▶ Strong interpersonal skills and ability to work in a team environment
- ▶ Excellent time-management skills and flexibility
- ▶ Technical qualifications vary per area of interest

About Broadridge

Broadridge Financial Solutions, Inc. (NYSE: BR) is a leading global provider of technology based-outsourcing solutions to the financial industry with more than \$2.1 billion in annual revenue.

Our integrated systems and services include investor communications, securities processing, and outsourcing solutions. Our solutions help financial services institutions and public companies increase productivity, streamline operations, enter new markets with new products quickly, drive down back-office costs, and better manage risk.

With our growing number of dedicated associates who are focused on providing world class service, we offer a competitive advantage in the global marketplace.

Broadridge Highlights

Excellent service and superior business practices lead to being recognized as the premier financial outsourcing company to the financial industry.

Best Companies to Work For In New York

Broadridge Financial Solutions has been selected as one of the Best Companies to Work for in New York three years in a row. Broadridge was selected as 1 of the 15 large sized Best Companies to Work for in New York, based on a benchmarking of our policies, procedures, benefits, and an online survey sent to randomly selected associates.

Black Book of Outsourcing

Broadridge was ranked the #1 Brokerage Process Outsourcing Provider for the second consecutive year in the Black Book of Outsourcing, an annual report published by Brown-Wilson Group, a Datamonitor company. In addition to receiving the top overall honor in the Brokerage Process Outsourcing survey, Broadridge also ranked #1 in 14 of the survey's 18 key performance areas.

CleanAir N.Y. Clean Air Champion

Broadridge was recently honored by CleanAir N.Y. as a Clean Air Champion. This organization has recognized Broadridge's efforts to reduce energy usage and pollution by promoting car pooling and public transportation, such as the L.I.R.R.
